

IMPORTANT SAFETY INFORMATION

FOR AVANTI CANOPIES (#FE28/#FE30)

Avanti Canopies should be secured at all times when in use:

While open and in use on grass or other soft surfaces, ensure canopies are firmly anchored to the ground using Guide Lines and Anchors provided.

Supplimental anchoring should be utilized in winds over 10km/hour. "U" anchors are available for purchase.

While using canopies on surfaces that do not allow for ground anchoring, please ensure canopies are secured to an imovable object (ie. fence, light post, etc.) using Guide Lines provided.

Supplimental anchoring should be utilized in winds over 10km/hour. Weight Plates are available for purchase.

Caution: Do not use canopies in winds greater than 20km/hour.

If you have questions, please call 1-877-470-0069
